### Superintendent's Highlights

Our District is located in Custer County on Highway 93 about 180 miles north of the Nevada State line and about 150 miles south of the Montana border. It is a sparsely populated area with the major industry being cattle ranching. A fair number of residents have chosen to live in this remote, picturesque community and commute about 50 miles to the INEEL. The weather is harsh in the winter with below zero temperatures starting in mid-October and lasting until nearly April. The elevation of the town is 6000 ft. above sea level.

The local residents have a good work ethic, which is exhibited by the students of the District.

Our students generally perform well on the ISAT and other means of assessments.

We will end the year in a favorable financial condition. In general the 2003-04 school year has been a very positive year.

### Progress Towards Meeting District Goals

#### 2003-04 Goals

#### Progress

The school year include every athletic team in the District earning the right to represent Mackay in the IHSAA sanctioned state tournaments.

Those teams include Boys/Girls Basketball, Football, Volleyball, Boys/Girls Track.

We co-oped with Butte County High School to field a Baseball team that entered the State playoff.

Our Scholastic team earned the right to represent Mackay in the State Scholastic Tournament.

Academically our students do very well with our K-3 IRI scores indicating our averages are at grade level.

Our K-6 spring ISAT scores show that the mean score is at proficiency or above.

Our 10<sup>th</sup> grade spring ISAT scores show 95% of our students are at proficiency and would be eligible for graduation.

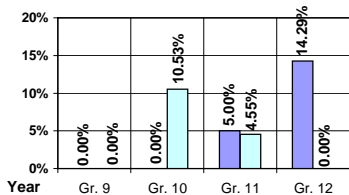

Our two schools have met the requirements for adequate yearly progress.
